Sometimes I lead sometimes I follow  
This time I'll go where she wants me to go  
She said maybe today maybe tomorrow  
Go deep in the woods down the low valley road

While no one was looking on the old plantation  
He took her all the way down the long valley road  
They sent her away not too much later  
And left him walking down the old valley road  
Walk on, walk on alone  
Walk on, walk on, walk on alone

Out in the hall they were talking in a whisper  
Everybody noticed she was gone awhile  
Somebody said she's gone to her sister's  
But everybody knew what they were talking about

While no one was looking on the old plantation  
He showed her what they do down the long valley road  
She came back around like nothing really happened  
And left him standing on the old valley road  
Walk on, walk on alone  
Walk on, walk on, walk on alone

Standing like a stone on the old plantation  
The rich old man would have never let him in  
Good enough to hire, not good enough to marry  
When it all happens nobody wins  
Walk on, walk on alone  
Walk on, walk on, walk on alone
