Heaven knows what was in my head
But I guess it all came out
Can't believe I said what I said
Tell me what's that all about
You know I don't mean to hurt you
And, I just wanna talk to you and I

Don't wanna wait until tomorrow
Don't wanna wake and find you gone
Don't wanna cause you any sorrow
Sorry it always takes too long
Baby I was wrong

Before I let this sinking ship go down
As I watch you swim away
Let me take my foot out of my mouth
Let me try again to say
That I, I don't wanna hurt you
And I don't wanna I don't wanna

Don't wanna wait until tomorrow
Don't wanna wake and find you gone
Don't wanna cause you any sorrow
Sorry it always takes too long
Baby I was wrong
