Monster alive, zombie alive  
Woman in home alone waiting for die  
Vampire child created in womb...  
Zombie'll born from pregnant whore  
Poor bitch feeling pain and vampire zombie  
Hunger and hunger!

Time has come, end her life  
Monster alive, zombie alive...  
Suffer inside!  
Zombie will eat her fresh flesh  
To exit from dark in the dead  
Divided womb, flowing blood

Bloodterror in fucking whore!  
Whore will die end her life  
Womb eaten borned bloodsucker!!  
Vampire zombie cut her head!  
Carved her eyes, drunk her blood  
Suffer in her dead body  
Suffer in her dead soul

Vampire took her life, sucked her blood  
Internal hecatomb death coming from red dark!  
Bloody dar, suffer life  
Unholy slaughter from inside...
