Look to the future Forget the past The futureâ#128##153#s golden

Hey be glad you came this way Oh thatâ#128##153#s all you need to know Make sure you count your blessings One by one As they come

Heart full of hope Eyes full of visions We look into We look into The sea of possibilities

Though itâ#128##153#s hard to believe The future is all we conceive Now itâ#128##153#s time to achieve The future Of our dreams

Go on Dive Into the future Follow The path ahead Come on Dive Into the future Follow The path ahead The path ahead

Iâ#128##153#m ready for the game ItA¢#128##153#s time to call my name Life will never be the same Iâ#128##153#m ready to shine Like a star
