It's good news week  
Someone's dropped a bomb somewhere  
Contaminating atmosphere  
And blackening the sky

It's good news week  
Someone's found a way to give  
The rotting dead a will to live  
Go on and never die

Have you heard the news  
What did it say?  
Who's won that race?  
What's the weather like today?

It's good news week  
Lots of blood in Asia now  
They've butchered up the sacred cow  
They've got a lot to eat

It's good news week  
Doctors finding many ways  
Of wrapping brains on metal trays  
To keep us from the heat

It's good news week  
Someone's dropped a bomb somewhere

Contaminating atmosphere  
And blackening the sky

It's good news week  
Someone's found a way to give  
The rotting dead a will to live  
Go on and never die

Have you heard the news  
What did it say?  
Who's won that race?  
What's the weather like today?  
What's the weather like today?

It's good news week  
Lots of blood in Asia now  
They've butchered up the sacred cow  
They've got a lot to eat

It's good news week  
Doctors finding many ways  
Of wrapping brains on metal trays  
To keep us from the heat  
To keep us from the heat  
To keep us from the heat
