I never thought that one day you  
Would become a part of my life  
Still you were always with me  
When I lay my head down at night  
Could you really be here with me  
Has my wish come true tonight

Chorus:

Cause now, now it seems I'm wide awake in this dream  
And I'd do, I'd do anything to stay here forever oh oh  
Yeah and if this is a dream I'm not gonna wake up (but)  
But if I'm awake, I won't close my eyes again.

Though I feel like I'm flying  
I'm sure my feet are still on the ground  
Open my eyes and it's amazing  
How my world is changed when I look around  
It's like I've found the road straight to heaven  
And that road has lead me right here to you oh oh oh

Chorus:

Cause now, now it seems I'm wide awake in this dream  
And I do, I do anything to stay here forever oh oh  
Yeah and if this is a dream I'm not gonna wake up (but)  
But if I'm awake, I won't close my eyes again

Everything I'll ever need  
Is standing right in front of me  
You've given more than I could ever ask of you  
Now all I can do is give forever to you

Chorus:

Cause now now it seems I'm wide awake in this dream

Cause now now it seems I'm wide awake in this dream  
And I'd do I'd do anything to stay here forever oh oh  
Yeah and if this is a dream I'm not gonna wake up (but)  
But if I'm awake I won't close my eyes again.
