[Verse 1:]

I see it in the way you would do
When no one else could ever get through
Holding back till I come around
Time and time again you wait for me to come in
And did you really look my way?
Cuz no one could of seen this coming
I would never let you down
If I was running backwards in full time

[Bridge:]

So I can and I will and you'll see your hero come
running
Over and over tonight

[Chorus:]

And I do wanna love you
If you see me running back
And I do wanna try
Because if falling for you girl is crazy
Then I'm going out of my mind
So hold back your tears this time

[Verse 2:]

Me, I'm used to being tired and bloody
But you believed that I could be somebody
You put your world on hold for me
Gave away to follow failure through the fire
I need you to know I will
Believe me girl I'm so tired of running
I just wanna hold your hand
Stare at you like you've got everything I need

[Bridge:]

And I can so I will and you'll see your hero come
running
Over and over tonight

[Chorus:]

And I do wanna love you
If you see me running back
And I do wanna try

Because if falling for you girl is crazy
Then I'm going out of my mind
So hold back your tears this time

[Verse 3:]

And what if I never said to you I was dynamite
And what if I never told you I'm afraid to cry
What if I never let you down
And said I'm sorry for the nights I can't remember
What if I never said to you I would try

Yeah Yeah Yeaahh

[Chorus:]

And I do wanna love you
If you see me running back
And I do wanna try
Because if falling for you girl is crazy
Then I'm going out of my mind
So hold back your tears this time

[Repeat Chorus]

Hold back your tears this time!!!

Ooooh Ooooh
