They say I'm a gypsy  
I sing and I steal  
But stealing ain't funny  
And singing's for real.  
Can't call me crazy  
And know how I feel  
So I'll just make music all day.

Turn up the lights  
And I'll strike up the band  
You know what I'm not  
And I know who I am  
I'm nobody's slave  
And I'm nobody's man  
So I'll just make music all day.

On and on  
They'll say we're wrong  
But staying gold  
Means being strong  
If waiting for me's way too long  
Then I'll be yours today.

Caught up in colours  
And shades of our time  
When everything made  
Much more sense when it rhymed  
I'm closing the case  
On a coldhearted crime  
So I can make music all day

You taught me to fight  
And you taught me to fly  
I learned how to lose  
Inhibitions and cry  
I left what I lost  
Never second guessed why  
So I'll just make music all day.

On and on  
They'll say we're wrong  
But staying gold

Means being strong  
If waiting for me's way too long  
Then I'll be yours today.

Na, na na na na, na na na na, na na na na.  
Na na, na na na na, na na na na, na na na na.

On and on  
They'll say we're wrong  
But staying gold  
Means being strong  
If waiting for me's way too long  
Then I'll be yours today.  
I'll be yours today.  
I'll be yours today.
