Hold me Jeremiah, I need your time
Yeah, they told me you're a liar
But I've seen you shine

Now they hold me on a wire
But I'm getting mine
Yeah, they told me you're a liar
But I've seen you shine

PRE-CHORUS

And I don't want your water
If you turn it into wine
But I could use a favour this time

CHORUS

I needed to know
Will you break my fall? Will you break my fall?
I don't even know you but I've got the time
And we're not as strong as you think we are

Hold me Jeremiah, I need your time
Yeah, they told me you're a liar
But I've seen you shine

PRE-CHORUS

And I don't want your water
If you turn it into wine
But I could use a saviour this time

CHORUS

I needed to know
Will you break my fall? Will you break my fall?
I don't even know you but I've got the time
And we're not as strong as you think we are

{instrumental}

PRE-CHORUS

And I don't want your water
If you turn it into wine
But I could use a savior this time

CHORUS

I needed to know

Will you break my fall? Will you break my fall?

I don't even know you but I've got the time

And we're not as strong as you think we are

Yeah, oh
