You really let yourself go, you really gotten all over me  
Time has taken it's toll, you're not the woman you used  
to be  
And if you ever think of me, you ain't letting it show  
How it hurts me to see you this way  
You really let yourself go

Girl, you know it really not like you, I've been seeing  
you round  
Hanging out with the good time crowd, out painting the  
town  
I've ask our old friends about you and they just turn  
away  
I've taken all that I can and I just have to say

You really let yourself go, you really gotten all over me  
Time has taken it's toll, you're not the woman you used  
to be  
And if you ever think of me, you ain't letting it show  
How it hurts me to see you this way  
You really let yourself go  
There are lessons in heartbrake I've learned through  
the years  
Spent many a lonesome night, cried many a tear  
That it's a doggone slap in the face for every fool on a  
stool  
Girl, you oughta be heartbroke, you're breaking all of  
the rules

You really let yourself go, you really gotten all over me  
Time has taken it's toll, you're not the woman you used  
to be  
And if you ever think of me, you ain't letting it show  
How it hurts me to see you this way  
You really let yourself go

How it hurts me to see you this way  
You really let yourself go
