"To be free one must give up a little part of oneself"

My sex change operation got botched  
My guardian angel fell asleep on the watch  
Now all I've got is a barbie doll crotch  
I've got an angry inch

Six inches forward and five inches back  
I got a  
I got an angry inch  
Six inches forward and five inches back  
I got a  
I got an angry inch

I'm from the land where you still hear the cries  
I had to get out, had to sever all ties  
I changed my name and assumed a disguise  
I got an angry inch

Six inches forward and five inches back  
I got a  
I got an angry inch  
Six inches forward and five inches back  
I got a  
I got an angry inch  
Six inches forward and five inches back  
The train is coming and I'm tied to the track  
I try to get up but I can't get no slack  
I've got an angry inch  
Angry inch

My mother made my tits outta clay  
(tits of clay)  
My boyfriend told me that he'd take me away  
(tits of clay)  
He dragged me to the doctor one day  
I've got an angry inch

Six inches forward and five inches back  
I got a  
I got an angry inch  
Six inches forward and five inches back

I got a  
I got an angry inch

(Long story short!)  
Yeah, long story short  
When I woke up from the operation I was bleeding  
down there  
I was bleeding from the gash between my legs  
It was my first day as a woman, already that time of the  
month  
Two days later the hole closed up  
You know... the wound healed and I was left  
With a one inch mound of flesh  
Where my penis used to be  
Where my vagina never was  
It was a one inch mound of flesh  
With a scar running down it like a sideways grimace on  
an eyeless face  
It was just a little bulge  
It was an angry inch!!

Six inches forward and five inches back  
The train is coming but I'm tied to the track  
I try to get up but I can't get no slack  
I got an angry inch  
angry inch

Six inches forward and five inches back  
Stay under cover till the night turns to black  
I got my inch, I'm set to attack  
I got an angry inch  
angry inch
