Runng head on  
to things that knock me down  
over again  
you picked me off the ground  
when I wasn't strong enough to fight  
any more

but in your arms tonight

hold me close and tight  
in your arms tonight  
in your arms tonight  
in your arms tonight  
oh my love

God only knows  
why I don't just retreat, instead of riding the rails  
back to the place of my worst defeat  
cause I'm not fooling anyone  
not quite convincing you

but in your arms tonight

Try not to be strong  
cry 'til it's all gone  
if you hold me tight  
in your arms tonight  
oh my love

the years you've seen in me  
the one who'd be there for you  
the way I need you here tonight.....

yea.....

in your arms tonight  
in your arms tonight  
in your arms tonight  
ohh... in your arms tonight  
all...my love...

all my love
