By the gold light of your halo I wanna nail ya  
Give you lovin' and devotion that won't ever fail ya  
Wanna run my mouth over your wounds  
And fall on the ground  
And the holes in your hands and your feet they help to  
nail you down

Nail ya down  
Nailed  
Nailed  
Nailed  
They made you Christ to get ya nailed  
When you hover in the night like a holy vision  
With the crimson and the purple of your incision  
Wanna run my fingers through your hair and over your  
pale skin  
On the fringe, shit, Jesus Christ man, you sure wanna  
nail ya

Get ya nailed  
Nailed  
Nailed  
Nailed  
They made you Christ to get ya nailed

He died for me  
Died for no one else  
He died for no one  
And he'd see and complain  
Oh the sweet and the sigh, to pain

And your heart was left out naked and exposed  
I wish that you had left more to the eye I feel  
And I can't find the words to say I love you  
And why and why and why and why and why ha

Nailed  
Nailed  
Nailed  
It's just a fight to get ya nailed  
They sent you Christ to get ya nailed
