Verse 1

I pull up at the door
And my Bentley is pink
Got my Assistant with me
Just to go buy me more drinks
Rosay Crystal, Dom P?rignon what do you think
I got my own credit card didn't you know that
Lemme find it.

Bridge

Don't touch me no no no no no don't touch me
I don't think to enjoy myself enjoy myself to the music
I'm gon loose it
The music is my heartbeat I transform I dance for him, I
just can't dance in ya
Can you feel my heart beat can you feel my heartbeat
listen to my heartbeat

Chorus

Nothing can intoxicate you won't you think it's human
nature uh it's human nature
Uh my new line favourite that's right the music's
playing don't front I know that you feel me don't front I
know that you feel me

Verse 2

The strobe lights are streaming taking me to the sky
My adrenalines rushing I'm on a natural high
I can feel my veins pumping those might get drums
thumping
The music's saying something

Bridge

Don't touch me no no no no no don't touch me
I don't think to enjoy myself enjoy myself to the music
I'm gon loose it
The music is my heartbeat I transform I dance for him, I

Can you feel my heart beat can you feel my heartbeat
