[Verse 1]

Don't you think about me the way I think about you,  
Feel like I'm goin' crazy  
Don't you want me the way that I want you,  
Whatever you need me to do I'll do for you  
You make me feel like I'm on cloud 9  
You got me open I wanna give you my time  
Just a touch from you is all I need,  
To make me feel like I can barely breathe  
(Breathe)

[Chorus]

I'm overdosin' over your love  
I feel like I'm an addict with a habit and your the drug.  
I'm overdosin' over your love  
Don't care what you put me through, I can't get enough  
of you  
(I can't, I) can't get enough of you  
(I can't, I) can't get enough of you  
(I can't, I) can't get enough of you  
(I can't, I) can't get enough of you

[Verse 2]

I tried, but I can't seem to come down now  
How, your love is what I can't deny  
I feel like I'm goin' up every time that we touch  
But then you walk away  
Wish that you was here to stay  
You make me feel like I'm loosing my mind  
I don't want you to go 'cause I just might start having  
withdrawals,  
I can't go for all  
I want you next to me, baby  
(Baby)  
'Cause I never felt like this,  
I just can't help it,  
I just need another hit  
Boy you got me floating  
Baby please don't stop,

Gimme everything you got.  
Can we do it again?  
Don't stop the feeling.

[Chorus]

I'm overdosin' over your love.  
I feel like I'm an addict with a habit and your the drug.  
I'm overdosin' over your love.  
Don't care what you put me through, I can't get enough  
of you.  
(I can't, I) can't get enough of you  
(I can't, I) can't get enough of you  
(I can't, I) can't get enough of you  
(I can't, I) can't get enough of you

[Bridge]

Can't get you outta my head  
I feel I'm goin' insane  
I can't wait to feel your touch again  
I'm waking up calling your name  
I'm overdosin (uh oh), dosin (uh oh)  
I'm overdosin (uh oh), dosin (uh oh)  
I'm overdosin (uh oh), dosin (uh oh)  
I'm overdosin (uh oh), dosin (uh oh)  
(Uh oh)

[Chorus x1]
