It ain't that easy, it ain't that easy
It ain't that easy, but it ain't so hard
It ain't that easy, it ain't that easy
It aint that easy, but it aint so hard

Hopin' out the maserati
All I see is paparazzi
Snapping pictures for the
Front cover of a magazine
Pose in everything I wear
Love to make the people stare
Always center of attention
Lookin' so bootylicious

And I don't care,
That I keep pissing people off
I'm a lot of talk
I don't give a damn what they say
It isn't fair
That I wear diamonds for breakfast
And I know this isn't helping

They say I'm superficial
Some call me a bitch
They just mad cause
I'm sexy, famous and I'm rich
I rock the latest fashion
And I start the latest trends
Girls say I'm conceited
But they really wanna be me

So say I'm superficial
Cause I got money
They say I'm superficial
But they really don't know me
They say I'm superficial
Cause I got money
They say I'm superficial
But they really don't know me

I'm addicted to the glitzs and glamour

Maybe at a betty ford
I would have for my shopping habit
If I see it, gotta have it
Cause daddy never says no
Mama get what she wants
I keep it new, new
Like I'm supposed to yeah

And I don't care,
That I keep pissing people off
I'm a lot of talk
I don't give a damn what they say
It isn't fair
That I wear diamonds for breakfast
And I know this isn't helping

They say I'm superficial
Some call me a bitch
They just mad cause
I'm sexy, famous and I'm rich
I rock the latest fashion
And I start the latest trends
Girls say I'm conceited
Cause they really wanna be me

So say I'm superficial
Cause I got money
They say I'm superficial
But they really don't know me
They say I'm superficial
Cause I got money
They say I'm superficial
But they really don't know me

It ain't that easy, it ain't that easy
It ain't that easy, but it ain't so hard
It ain't that easy, it ain't that easy
It ain't that easy, but it ain't so hard

They say I'm superficial
Some call me a bitch
They just mad cause
I'm sexy, famous and I'm rich
I rock the latest fashion
And I start the latest trends
Girls say I'm conceited
Cause they really wanna be me

So say I'm superficial
Cause I got money
They say I'm superficial

But they really don't know me
They say I'm superficial
Cause I got money
They say I'm superficial
But they really don't know me
