#### Verse 1:

Something about you just got me crazy awhile.  
Describe what I'm feeling but you're so like when I'm  
seeing ya, babe.  
I just wonder why you're staring around.  
Got your eyes on the ceiling, as if the wallpapers  
peeling, babe.

#### Pre Chorus:

I bet you that I know just what to do,  
To make you come my way.  
I'm sure you're blood is pumping when I move,  
Like you say,  
In your dreams,  
I'm the bitch,  
That you don't wanna miss.

#### Chorus:

So, turn ya head,  
Fix your eyes on this, ain't nothing like a show on.  
Turn ya head,  
Keep the dance floor lit.  
Ain't nothing like a show ow.

Buzzing exhibition,  
So let me put you in the mind  
Under-started mission,  
To take you home with me tonight.

#### Verse 2:

Get stereo pumping  
Cause we're taking it down.  
If you're hungry for pleasure,  
I can serve you a measure, babe.  
Serenade me while I'm surfing the crowd  
Got my eyes on the ceiling;  
Hahh hahh  
Heavy breathing, babe.

#### Pre Chorus:

I bet you that I know just what to do,

To make you come my way.  
I'm sure you're blood is pumping when I move,  
Like you say,  
In your dreams,  
I'm the bitch,  
That you don't wanna miss.

Chorus:  
So, turn ya head,  
Fix your eyes on this, ain't nothing like a show on.  
Turn ya head,  
Keep the dance floor lit.  
Ain't nothing like a show ow.

Buzzing exhibition,  
So let me put you in the mind  
Under-started mission,  
To take you home with me tonight.

Bridge:  
Come watch me  
I love it when your eyes are on me.  
This closely,  
And let me tell you I won't give up.  
Till you love me-  
Got me losing my mind, got me losing my head,  
Now I'm stuck and there's no escaping.  
All I need is your heart, all I need is your head,  
Can't you see that I'm done with waiting?

So turn ya head,  
Baby, just turn ya head,

Baby-

Chorus:  
So, turn ya head,  
Fix your eyes on this, ain't nothing like a show on.  
Turn ya head,  
Keep the dance floor lit.  
Ain't nothing like a show ow.

Buzzing exhibition,  
So let me put you in your mind  
Under-started mission,  
To take you home with me tonight.

Buzzing exhibition,  
So let me put you in your mind  
Under-started mission,  
To take you home with me tonight.

So, turn ya head.
