I pulled out at the door
In my Bentley ...
All my .. stuck with me
Just go buy me my drink
.. what do you think
..
Touch me
Let me know
Touch me
I don't need
You enjoy myself
Enjoy myself to the music
Heartbeat
..I just can't get my heartbeat (repeats)
.. human nature
It's human nature

.. I hear the music ...
.. taking me to the sky
..the drums pumping..
Touch me
Let me know ..
Touch me
I don't need
You enjoy myself
Enjoy myself to the music
Heartbeat
..I just can't get my heartbeat (repeats)
.. human nature
It's human nature
