"My Parade"

Wont let ya rain on my parade
No I wont let ya rain on my parade

Uh oh
Uh oh
Uh oh
This is my parade

You hear the beat beat beatin' of the drum
Yea I hear em coming down the street lookin' at me
sayin' (oh)
The main attraction if your lookin' for some action
better follow me
We Headed to the after party

But if the rain falls down
I'll keep on walkin' you can keep on talkin'
Talkin' up the storm now
I will stay strong got my marchin' boots on
Moving to the song all damn night long

I'm young and I'm having fun so im gunna celebrate
If you wanna play then follow my way but if you dont
then get out of my way

Wont let ya rain on my parade
No I wont let ya rain on my parade

I'm gunna take it one step out of town
Dont get out of line
I'm keepin it going just so you know
This is my parade

Lets get together you can put me in the center of
attention
Did I mention that no body does it better
I got the fire striking up like a match
Theres no extinguishin' that
No matter if the rain is fallin' down
Its alright I shine I wonder why some of these people

wanna steal my thunder
But I will stay strong got my marchin' boots on
Moving to the song all damn night long

I'm young and I'm having fun so im gunna celebrate
If you wanna play then follow my way but if you dont
then get out of my way

Wont let ya rain on my parade
No I wont let ya rain on my parade

I'm gunna take it one step out of town
Dont get out of line
I'm keepin it going just so you know
This is my parade

Uh oh
Uh oh
Uh oh
This is my parade

The crowd is cheering me on
I'm the queen of the show
The suns coming out so I'm ready to go
So strike up the band we'll drown you out with the
sound
Like it or not its still goin' down

I'm young and I'm having fun so im gunna celebrate
If you wanna play then follow my way but if you dont
then get out of my way

Wont let ya rain on my parade
No I wont let ya rain on my parade

I'm gunna take it one step out of town
Dont get out of line
I'm keepin it going just so you know
This is my parade

Uh oh
Uh oh
Uh oh
This is my parade
Uh oh
Uh oh
Uh oh
This is my parade
Uh oh
Uh oh
Uh oh

This is my parade
