You can clean the desks  
Bend the pages  
I'll be your homework tonight  
Can you handle it

Tonight it'll be what i want  
Why don't you listen boy  
Cause its time for expiration  
This is the session boy

I want you to discover  
Get on the the Grind Grind  
You'll be my lover lover  
All of your time  
You got the green light  
Now ready set go  
Give me that student body  
I'll teach you all I know

Lets see a show of hands  
Brought the money  
And make sure your inside  
When the bell rings
