Twisted like a turnakette tighter tied around my neck
Its not just what you do its a lack of respect
My friends are callin' me everyones tellin' me
What you've been doing who you've been screwing

Heres that last chance you get your failing every test
I can see right through you, you just dont know it yet
But you wont let me leave you want to strangle me
Take everything thats good I want you back

Your twisted
As a liar your gifted
Cant believe your so twisted
Like an actor in character
I dont know how I missed it
No matter what you do no matter what you say
I can see it more everyday, everyday
But I wont take it I wont be jaded
You think I cant resist and thats because
Your twisted

You cross your heart and say baby its not that way
I dont need to see your phone I can see your face
Not losing any sleep the secrets that you keep
You enjoy yourself and I know why

Your twisted
As a liar your gifted
Cant believe your so twisted
Like an actor in character
I dont know how I missed it
No matter what you do no matter what you say
I can see it more everyday, everyday

But I wont take it I wont be jaded
You think I cant resist and thats because

You can not be trusted
It is just a waste of time
Let the hours tick tock
You wont get no more of mine
And yes its clear to me

I see you'll always be twisted
From the neck up get a checkup
Please dont tie
I'm gettin off of this ride

Your twisted
As a liar your gifted
Cant believe your so twisted
Like an actor in character
I dont know how I missed it
No matter what you do no matter what you say
I can see it more everyday, everyday
But I wont take it I wont be jaded
You think I cant resist and thats because
Your twisted
Your twisted
No matter what you do no matter what you say
I can see it more everyday, everyday
But I wont take it I wont be jaded
You think I cant resist and thats because
Your twisted
