Five years since you went away  
Hurts like it was yesterday  
Play with fire and you're gonna pay  
Lord knows I'm tired of paying  
I'm sick of living in the past  
You took my heart and I want it back  
You were my first but you didn't last  
You just caused me frustration  
Tonight I'm gonna set myself free  
I gotta brand new recipe

And it's a can or two of gasoline  
One match and a mighty big flame  
All the heartache and suffering  
Is going to melt inside of me  
A picture book  
And a pile of you're clothes  
You and me going up in smoke  
A sure fire way of letting go  
Yeah nothing burns like a memory

I got a bottle of 80 proof  
I'll tell you what were gonna do  
Two for me one for you  
Well hunny heres to liberation  
No more pain and misery  
I finally found my remedy

It's a can or two of gasoline  
One match and a mighty big flame  
All the heartache and suffering  
Is going to melt inside of me  
A picture book  
And a pile of you're clothes  
You and me going up in smoke  
A sure fire way of letting go  
Yeah nothing burns like a memory

Burn baby burn  
Burn baby burn  
Burn baby burn  
Burn baby burn

It's a can or two of gasoline  
One match and a mighty big flame  
All the heartache and suffering  
Is going to melt inside of me  
A picture book  
And a pile of you're clothes  
You and me going up in smoke  
A sure fire way of letting go  
Yeah nothing ohh nothing  
Ohh nothing ohhh burns like a memory
