Fighting in the street
The strong survive you'll see
Pacing every move
We will not be tamed
I wonder if you think of me
As a human being
We don't really care
To us you mean nothing

Bloodshed in the streets
As the Bruisers defeat

Trying to make a find
Of our weakest link
You'll never get the answer
So don't you even think
Because we are here
And here to stay
We will rule the streets
And you will win no wa
