"And one day will come the ends and thus is the fate of the gods"

In the midst of time, the power of the evil force created  
troops of darkness  
Naglfar, built by the nails of the dead attacked

pre-chorus

The lord of the wind turned black all the world  
And called up the giants of the north  
Muspell's sons shattered the sacred and burning  
BifrÅst

...HEIMDALL was a storm of steel  
From the depths of the abyss, a stream of fire arose  
It ran over all the creatures in the land of ice called  
Vigridr

repeat pre-chorus

chorus

Blowing with power through the mystic horn  
The final clash began on the frozen plain  
The noble gods headed by Odin rode at the call of the  
horn

repeat pre-chorus and chorus
