Heimdall:

"Father, look to these mountains...

There is snow, ice everywhere

Look to these lakes and the blood river...

Their waters are sad and still"

UNDER THE SILENT MOON... UNDER THE SILENT MOON

Heimdall:

"Hear the cry of nature... Night reigns on her black throne

All the land is under a terrible spell of eternal frost"

UNDER THE SILENT MOON... UNDER THE SILENT MOON

Odin:

"Brave son, these are the signs - The time of tears and dark is coming

Messengers of death and despair - Shadows are seizing our lands

It is the time for us to fight - Eternal light calls us to rise"
