Don't want advice, I know what to do  
Don't tell me twice when it comes to you  
Cuz I'm not in a state of mind  
To listen to what you say

All that I want is the  
Feeling I get when the  
Sun's going down on a  
Another day another day baby with you

Don't want a helping hand don't want to understand  
Can't you all just understand  
That I'm gonna do it the only way I can  
Now I'm not in a state of mind  
To listen to what you say

All that I want is the  
Feeling I get when the  
Sun's going down on a  
Another day another day baby with you  
All that I want is the  
Feeling I get when the  
Sun's going down on a  
Another day another day baby with you

All that I ever want is simple  
(Another day baby with you)  
All that I ever need is  
(Another day baby with you)  
So hard to live  
Thinking there won't be another day  
Baby with you  
So hard

All that I want is the  
Feeling I get when the  
Sun's going down on a  
Another day another day baby with you  
All that I want is the  
Feeling I get when the  
Sun's going down on a

Another day another day baby with you
