El padre
Silenciado artista
Refugiado comunista
Calzones de guÃa
Pa los yanqui caÃa
En barco de llanta
Rezando por vida
En la tierra chocÃ³
"American citizen?"
Hermano Cubano
En paÃs Mexicano
Buscando salida
De ser comunista
Hermanos balseros
Mickey mouse marineros
Mi papi chingÃ³n
Me comiÃ³ tiburÃ³n
MÃ©xico me liberÃ³
Cuando Castro ganÃ³
"No soy 'American'"
Viva MÃ©xico cabrÃ³n
Gobierno cubano
Por que tan culero
Con nada de nuevo
Aguantan o muero
Hoy soy! Anti-Castro!

[English translation:]

The father,
Silenced artist
Communist refugee
Underwear for a sail
To the Yankees he bailed
In a boat made of tires
Praying for his life
As he crashed onto land
"American citizen?"

My Cuban brother
On Mexican soil

Looking for an out
From being communist

Fellow inner-tube riders
Mickey Mouse sailors
My bitchen dad
Became shark bait
Mexico set me free
During Castro's victory
I'm not "American"
Long live Mexico mother fucker!

Cuban government
Why such assholes
With no new ideas
Deal with it-or die!

Today, I'm anti-Castro
