Hoy BRUJERIZMO pa t satanismo!  
F en lo viejo te est chingando  
Virus de cristo te est fallando  
Infesta gente jodiendo mentes  
El organismo del Anti-Cristo!  
BRUJERIZMO oscuro hallo  
Desde nio Satanismo!  
Contra todo Hoy BRUJERIZMO pa t satanismo!  
BRUJERIZMO! Cura joto  
Cristo fallo!  
Satanismo desde nio  
Hoy BRUJERIZMO pa t satanismo!  
Si no cambian las leyes que mandan  
Ya esta listo para negativo  
Maquinas de hoy son como gente  
Programados contra todo

[English translation:]

Today brujerizmo for you satanism

Faith in the old ways are fucking you  
The Christ virus is failing you  
Infecting people destroying minds  
The organism of the anti-Christ  
Brujerizmo! Darkness found  
Since childhood  
Satanism! Against everything  
Today brujerizmo for you satanism  
Brujerizmo! Faggot priest  
Christ failed  
Satanism! Since childhood  
Today brujerizmo for you satanism

If there's no change in the laws that rule  
Everything is now ready for the negative  
The machines of today are like most people  
Programmed against everything
