Anden pendejos, vengan conmigo
Para adorar el chivo, y al pinche rey negro

Soy tu padre, soy tu miedo
Soy Lucifuego, Soy Satanás
Soy Satanás

Anda pendejo y ven conmigo
Yo te hare poderoso
Te dare pisto, viejas y feria

Anden babosos, vengan conmigo
Nios perdidos yo tengo tu alma
Mama mi pinche verga

[English translate: Desperado]

Come on assholes, come with me
To worship the goat, and the fucking black king

I am your father, I am your fear
I am Lucifer, I am Satan
I am Satan

Come on asshole and come with me
I will make you powerful
I will give you money, women and party.

Come on idiots, come with me
Lost children I have your soul
Suck my fucking dick
