Cul lado gan el partido
"No importa, dame vino"
Ya tengo el diablo metido
Me chingo ese guey jodido
Hijos del vicio aman desmadre
"Ando borracho, me vale madre"
Tengo el diablo metido
Me encanta
El desmadre
Marijuana
El desmadre
Y los vicios son mis padres
El desmadre
Cristo de pisto ama desmadre
Soy marijuano - chinga tu madre
Cmo que no hay cerveza
Pero ve tragando una fresa
Me tiene el diablo bien pedo
Me chingo ese guey europeo!
MALDICIONES!
Sardos - Pendejos
No maten - Los indios
Porque - Brujera
Te mete - MALDICIONES!
Marcha de odio
Sardos de raza
Raza de odio
Grito de guerra
[English translation:]
Which side one the match?
Who cares, give me liquor
I've got the devil within
I'm going to fuck up that wasted asshole
Children have vice, love fucking up shit
Now I'm wasted, I don't give a rip
I've got the devil within
I've got the devil within
I just love, total chaos
Marijuana, total chaos
And all vices are my parents
Total chaos
The Christ of brew loves fucking up shit

I'm a pothead - go fuck your mother
What you mean there's no more beer
But I see that yuppie down one
The devil's got me real wasted now
I'm going to fuck up that European!
I just love, total chaos
Marijuana, total chaos
And all vices are my parents
Total chaos
