Hermanos greludos - prenden el lelo  
La gente te ven a rabos de burros  
Por culo de feo, te quieren joder  
Hay que pelear - Hay que pegar  
Gente del barrio, te mandan casar  
Tan greludo y feo, rata humana

La ciudad te adia, te quieren matar  
Hay que pelear - Hay que pegar  
Hechando chingasos!!!  
Esos roqueros, son maricones  
Greludos locos, son mas cabrones  
No te la dejes, no te la rajés

Hay que pelear - Hay te pegar

[English translate: Crazy Headbangers II]

Sloppy brothers - lighting joints  
People see you as stupid asses  
They want to fuck your ugly ass up  
You have to fight - You have to fight

Locals, they want to marry you  
So dishevelled and ugly, human rats  
The city hates you, they want to kill you  
You have to fight - you have to fight

Those rockers are fags  
Crazy headbangers, are bigger pimps  
She's not gonna leave you, she's not gonna run from  
you  
You have to fight - You have to fight
