Laboratorio cristalitos
Para ratas que estÃ¡n fritos
GreÃ±udos de los mÃ¡s locos
Quieren algo mÃ¡s pesado
Pericasos si aguantas
Lo mÃ¡s recio mata ratas
Vas a ver el hoyo negro
Laboratorio cristalitos
Estas fumando los hielitos
Esa lluvia del sobaco
Dos dias tienes demoniaco
"QuiÃ©n te busca, estÃ¡n tocando"
Metralleta vas matando

[English translation:]

Little laboratory crystals
For all those fried-out rats
The most fucked-up longhairs
Want something heavy
Cocaine bumps you can handle
The faster shit - rat poison

You're going to see that black hole!

Little laboratory crystals
Now your smoking those little ice cubes
You're raining from the armpits
Got a 2 days binge going! Demonic maniac!
Who's looking for you, someone's knocking
Grab that assault rifle and go off killing
