"Ley de Plomo"

Maquinas del diablo
Como cuernos de chivo
Cobran precios pesados
Escupiendo besos de plomo
La ley de plomo - portate bien
La ley de plomo - bala te clava
Corrale cabron sacate de aqui
Tranzeando el brujo te deja bien mocho

[English translate: The Law of Lead]

The devil's machines
Like goat's horns
collect big money
Spitting kisses of lead
The purity of lead - carry on well
The purity of lead - bullet shoves in you
Run bastard get out of here
Crossing El Brujo leaves you well crippled
