El norte quiere nuestro cosecha de oro  
Geritos y negros esperan el hombre  
Mando mis indios, pinches mojados locos  
Cargados con yerbas, polvos, y chiva  
Traficando drogas, coca, y mota  
La bendicin satnica, quien nos para  
La camioneta se llena  
Con un chingo de mota  
Los indios locos con el olor de la coca  
Ciento - veinte millas por hora  
Ciento - treinta kilos por troca  
Somos narcos - satnicos, yello y juanita  
La bendicin negra nos da plata  
Una misa negra al rey de lujo  
Cortamos el polvo, lavada de miada  
Que se chinga los negros y  
Se mueren los geros  
Somos narcos - satnicos  
Traficando drogas

[English translate: Satanic - Drug runners]

The north wants our harvest of gold

Little white boys and blacks wait for the man  
I command my natives, crazy fucking wets  
carried with weed, dusts, and pot  
Trafficking drugs, cocaine, and pot  
Satanic blessing, who stops us  
The van filled  
With a load of pot  
The natives crazy with the smell of cocaine  
One hundred - twenty miles per hour  
One hundred - thirty kilos per truck  
We are satanic - drug runners, Ice and marihuana  
Black blessing gives us money  
A black mass to the king of luxury  
We cut the coke, cleaned of pee  
Which fucks the blacks and  
Kills the white boys  
We are satanic - drug runners  
Trafficking drugs
