Buscos pendejos, virgenes, y gueros  
La table te espera,  
Para maltratarte con fieros  
Cirujia con un machete  
Sacrificio de sesos para satanas  
Brjueria con velas y sangre  
Misas negras pa el placer del brujo  
Resando ante  
S de sacarte la mente  
Si quieres salir de la mesa de muerte  
Una partida pa abrirte la pansa  
El machete no se quebra cortando huesos  
Te saco las tripas con mis hunas filosas  
Me pelas la verga con tu culo  
Espero allarte en mi mesa

[English translate: Sacrifice]

I look for assholes, virgins, and white boys  
The table awaits you  
To mistreat you with cruelty  
Cut with a machete  
Sacrifice of brains for Satan  
Witchcraft with candles and blood  
Black masses for el Brujo's pleasure  
...before removing your brain  
If you want to leave the table of death  
A... open your belly  
The machete doesn't break cutting bones  
I remove your guts with my sharp...  
You... my dick with your ass  
I expect you to be on my table
