Senor pardoname por mis pecados
Vendi mi alma para proteger el rey nino
En el hombre del padre, hijo Y espiritu santo

El dia viene del rey oscuro
Despier ta porque te pica el culo
Seis Seis Seis Seis Seis Seis

En junio nacio un nino grandote
El cuerpo de cristo sera un cerote
Seis Seis Seis Seis Seis Seis

Te chinga en el dia y te coje en la noche
La verga del diablo ya te conoce
Seis Seis Seis Seis Seis Seis

Si quieres salir tienes que morir
Como Ricky Ramirez te chupa los ojos

Mientras como los sesos de un virgen guero
Mi papa satanas me esta dando besos

[English translate: Six Six Six]

Father forgive me for my sins
I sold my soul to protect the baby king
In the name of the father, son,
And the holy spirit

The day of the dark king is coming
You awaken because he kicks your ass
Six six six Six six six

In June a very great child will be born
The body of Christ will be useless
Six six six Six six six

He... you in the day and... you at night
The devil's dick now knows you
Six six six Six six six

If you want to leave you have to die

Like Ricky Ramirez he sucks your eyes out

Meanwhile like virgin white girls' brains
My father Satan is giving me kisses
