Los jvenes calientes
Buscando placer
Satans te da lo que quieres
La verga del Brujo, da bautismos de mecos
Ros de SIDA, chinga tu gente
Dame vida, con tu muerte
Picando culos, panocha y cabezas
Siguen a tu muerte
Buscan la verga del Brujo
Buscan la verga del Brujo
La verga del Brujo, da bautismos de mecos
Que buscan?
Pendejos, esto no es un juego pa'l infierno cabrones
La bendicin de tu madre se jodio, ya lo oste
Ya te jodiste cabron, no hay remedio
Estn chingados
[English translate: El Brujo's Dick You're Fucked]
Young hot ones
Looking for pleasure
Satan gives you what you want
El Brujo's dick, gives baptisms of cum
Rivers of AIDS, fucks your people
Give me life, with your death
Kicking ass, cunts and heads
after your death
Look for El Brujo's dick
Look for El Brujo's dick
El Brujo's dick, gives baptisms of cum
What do you look for?
Assholes, this is not a game to hell assholes
Your mother blessing is fucked, you have heard it
You are fucked asshole, there is no way out
You are fucked
