Have you ever seen a bleeding mountain?
Have you ever met a speaking number?
If you follow me, in my secret chamber
I'll let you try
Try to walk on a fallen scream
Try to float in a glass of ecstasy
No one is awake
Here you can be the guardian
Of my own place

(Reacting/Exceeding/No Limits)
React to your senses
Exceed the limits and then
Rationality will die
Believe me

Follow my melody
Come on join my game-machine
Nevermind the time
Nevermind the time
I'll build up your fantasy
Come on join my game-machine
Follow the voice inside
Follow the voice inside your mind

Have you ever touched a paper's planet?
Have you ever seen a plastic thunder?
If you follow me, in my secret chamber
You'll see what
I'll let you try

Stay with me... Stay with me...
This is a point of no return
Stay with me... Stay with me...

Destroying, believing
I'm fighting, you're screaming
Don't, don't Alice, don't cry, cry, Alice don't
You kill me, defeating
You're fighting, I'm bleeding
Don't, don't Alice, don't cry, cry, cry

Follow my melody
Come on join my game-machine
Nevermind the time
Nevermind the time
I'll build up your fantasy
Come on join my game-machine
Follow the voice inside
Follow the voice inside your mind
