Still in a frame of my mind
I get a gun
I'm a lady-borderline
I've sold you pills of fear and fun
So that you felt alive
But insane
In my eyes
You saw your face
Bleeding empty...

He said:
Dear lady I just want to find the key
To bleed off my innocence
I want to disappear
In my dirty dirty desires
Please erase me violently
With your gun

Still in a frame of your mind
You dress my skin
Now you can feel by the senses
That an imitation pill
Gave you before that your eyes
Became slaves
Of a forbidden time,
Plastic evidence,
And you're empty...

He said:
Dear lady I just want to find the key
To bleed off my innocence
I want to disappear
In my dirty dirty desires
Please erase me violently
With your gun

Dear lady I just want to find the key
To bleed off my innocence
I want to disappear
In my dirty dirty desires
Please erase me
Erase me

Erase me
