"Lovequake"

Your feeling steady
Rooted and secure
With a heart as safe as houses
Of this you could be sure

But this is a lovequake
We are shaken to the core
All resistance crumbles
Lovequake warning

You think you're untouchable
You think you can't be moved
Then watch as all your defenses
Come crashing down

But this is a lovequake
We are shaken to the core
All resistance crumbles
Lovequake warning

Be prepared
To lose your fears

And don't be scared
Be prepared
Love's coming to take you away

But this is a lovequake
We are shaken to the core
All resistance crumbles
Lovequake warning

Hey
Seek the shelters
And hold on tight
Love has come to shake you
Hold on tight
Love has come
To shake you
Break you
Into loving loving pieces
Loving pieces
