Vital  
your eyes that see to the heart of me  
Vital  
your arms that reach for me  
Vital  
Your love that warms and surrounds me  
Vital  
Like the breath that flows

Oh are we here now  
where the song echoes  
where the emptiness sits  
Oh have we seen  
the promised land  
promised to us

Vital  
your eyes that see to the heart of me  
Vital  
your arms that reach for me  
Vital  
Your love that warms and surrounds me

Vital  
Like the breath that flows

Oh I've lost my fears now  
I'm brave with love  
saved by love  
Oh I've grown bold now  
reaching the mountain tops  
carried high on your shoulders

Vital  
your eyes that see to the heart of me  
Vital  
your arms that reach for me  
Vital  
Your love that warms and surrounds me  
Vital  
Like the breath that flows
