Verse 1: Billy was afraid to make a decision on his own.
He was told ever since he was a boy, he didn't measure up.

He learned over the years to put up a good fight.
But deep inside it was hard to love or trust anyone.
In, into his life you came gently and he was mended
He flashes a genuine smile as he tells the world all about it. Hey!

Chorus: You are Highly Recommended(you hold the key to making us free)
You are Highly Recommended(By those who know, you can change a life, and make it better!)

Verse 2: Lisa was a beauty queen, the girl had everything.
She had fine cars, she wore the latest styles a new toy every week.
She learned over the years to put up a good fight.
But secretly she was trying to hide, her emptiness inside.
In, into her life you came gently and he was mended
She flashes a genuine smile as she tells the world all about it. Hey!

Chorus: You are Highly Recommended(you hold the key to making us free)
You are Highly Recommended(By those who know, you can change a life, and make it better!)
Repeat 2x

Bridge: He can do the same for you, if you only give him half a chance. He's the sun the shining one, He's a real good friend.

Chorus: You are Highly Recommended(you hold the key to making us free)
You are Highly Recommended(By those who know, you can change a life, and make it better!) 2x
