Are you carrying a heavy load?  
Have you been traveling down rocky road? I wanna  
know

Are there problems challenged on every hand  
Just another opportunity for you to stand

Let me tell you why  
'Cause we got the victory through the blood of the  
Lamb  
Oh yes, I say we got the victory through the blood of  
the Lamb  
The gates of hell shell not prevail, oh no

There'll be road blocks in your life  
Every now and then, just a smoke screen  
Just remember in Christ Jesus  
We trump, we win, yes

Oh, I know it get sweeter and fighting the faithful fight  
But just be strong in the Lord and in the power of His  
might  
We are weak His grace make us strong  
Just keep right on praying, keep your armor on

'Cause we got the victory through the blood of the  
Lamb  
Oh yes, oh yes, I say we got the victory through the  
blood of the Lamb  
The gates of hell shell not prevail, oh no

Everybody say V-I-C-T-O-R-Y  
V-I-C-T-O-R-Y

I got the victory through the blood of the Lamb  
I'm a child of the King and I know who I am

Give me a V-I  
Give me a C-T-O-R-Y

Say I got the victory through the blood of the Lamb  
I'm a child of the King and I know who I am

Give me a V-I  
Give me a C-T-O-R-Y

Say I got the victory through the blood of the Lamb  
I'm a child of the King and I know who I am  
We got the victory through the blood of the Lamb  
Oh yes, I say we got the victory through the blood of  
the Lamb
