Ain't No Way to Treat a Lady  
Helen Reddy  
(H. Schock)

-Peaking at #8 in 1975, this was Helen's 6th, and last top 10 hit.

I guess it was yourself you were involved with  
I would have sworn it was me  
I might have found out sooner if  
You'd only let me close enough to see

Chorus:

That ain't no way to treat a lady  
No way to treat your baby  
Your woman your friend  
That ain't no way to treat a lady, no way  
But maybe it's a way for us to end

I was only bein' a picture  
With all the colors I know  
While you were busy looking into  
Wide blue mirrors and lovin' the show

(Chorus)

There's a funny kind of consolation  
Keepin' me sane  
And I'd really like to share it  
Crawl on deep in my brain  
You see the time you never felt me  
Lovin' you or needin' you  
So leavin' you now  
You still won't know how to feel the pain

I was lookin' out for my happiness  
While you were looking within  
And before you know your own reflection  
Always starts to tire you, it's happened again

(Chorus X 2 and fade)
