I CAN'T SAY GOODBYE TO YOU
-Helen Reddy-

you say it would be better
if we stopped seeing each other
if you had only met me first
when you were free
'cause now you've got commitment
i should not expect things from you
that you can't give to me
oh, but baby, can't you see

i can't say goodbye to you
no matter how i tried
you're such a part of me
without you, i would die
deep, in the heart of me
i know that you and i
were meant to be together
i can't tell you goodbye

neither of us planned
that we would fall in love this way
but since we did
why should we be apart
sometimes, some things happen
that can never be explained
now, it's too late for me
i've already given you my heart

i can't say goodbye to you
no matter how i tried
you're such a part of me
without you, i would die
deep, in the heart of me
i know that you and i
were meant to be together
i can't tell you goodbye

who knows why we choose
when we choose the ones we love

who knows why we do the things
we do when we're in love
i know that you're a decent man
and you try to do what's best
but how can i forget
all the feelings we have shared

i can't say goodbye to you
no matter how i tried
you're such a part of me
without you, i would die
deep, in the heart of me
i know that you and i
were meant to be together
i can't tell you goodbye

(you and i were meant to be, forever)
i can't tell you goodbye.....
