I wake up shining  
Just being with you  
Knowing you're beside me  
Knowing you're all right  
Makes it so easy  
To get through the night  
We will  
Never say goodbye  
When I go, this I know  
We'll be together  
And in my heart you'll ever stay  
Never say  
Never say goodbye  
Ain't no fun in leavin',  
it's what I got to do  
Just makes it better  
To come back to you  
Nights will come between us  
Days out on our own  
But my love goes with you  
You won't be alone  
And we will  
Never say goodbye  
When I go, this I know  
We'll be together  
Ohhh  
You know I have to go from you,  
so far, so far away  
I got your love to carry me  
so, darlin', please don't leave me  
And we will  
Never say goodbye  
When I go, this I know  
We'll be together  
And in my heart you'll ever stay  
Never say  
Never say goodbye.
