You and me against the world
Sometimes it feels like you and me against the world
When all the others turn their back and walk away
You can count on me to stay

Remember when the circus came to town
And you were frightened by the clown?
Wasn't it nice to be around someone that you knew?
Someone who was big and strong and looking out for

You and me against the world
Sometimes it feels like you and me against the world
And for all the times we've cried I always felt that
The odds were on our side

And when one of us is gone
And one of us is left to carry on
Then remembering will have to do
Our memories alone will get us through
Think about the days of me and you
Of you and me against the world

Remember when the circus came to town
And you were frightened by the clown?
Wasn't it nice to be around someone that you knew?
Someone who was big and strong and looking out for

You and me against the world
Sometimes it feels like you and me against the world
And for all the times we've cried I always felt that
The odds were on our side

And when one of us is gone
And one of us is left to carry on
Then remembering will have to do
Our memories alone will get us through
Think about the days of me and you
Of you and me against the world
You and me against the world
You and me against the world
