Oh, woe is me (woe is me)
How can it be? (how can it be?)
I never thought that (I never thought)
You'd ever leave me (ever leave me)

Oh, now that you're gone (now that you're gone)
And you walked out the door (walked out the door)
Oh, I'll never see you. No never.
No more, no more, no more, no more.
No more, no more.

I told you lies. (I told you lies)
That brought tears to your eyes (tears to your eyes)
I thought you'd forgive me
I didn't realize (I didn't realize)
That I hurt you so bad (hurt you so bad)
And it made you so mad (made you so mad)
That I'll never see you. No never, no more, no more, no
more.
No never, no more.

Oh, woe is me (oh, woe is me)
It's just not the same (just not the same)
Left here without you
Oh, ay, ain't it a shame (ain't it a shame)
I, I love you so (I love you so)
Oh, but you'll never know (you'll never know)
Because I'll never see you. No, never.
No more, no more, no more, no more.
No never, no more.

Oh, woe is me (Oh, woe is me) (3 times)
