In a church by the face
He talks about the people going under
Only child knows

A man decides after seventy years
That what he goes there for, is to unlock the door
While those around him criticize and sleep
And through a fractal on a breaking wall,
I see you my friend and touch your face again,
Miracles will happen as we dream

But we 're never gonna survive unless
We get a little crazy
No we 're never gonna survive unless
We are a little

Crazy yellow people walking through my head
One of them's got a gun, shoot the other one
And yet together they were friends at school
Ohh, get it, get it, get it, no no no
If I were there when we first took the pill,
Then maybe, then maybe, then maybe, then maybe
Miracles will happen as we speak.

But we 're never gonna survive unless
We get a little crazy
No we 're never gonna survive unless
We are a little

No no, we'll never survive, unless we get a little... bit...

In a sky full of people, only some want to fly.
Isn't that crazy?
In a world full of people, only some want to fly.
Isn't that crazy?
Crazy
In a heaven of people there's only some want to fly.
Ain't that crazy? Crazy, crazy... crazy...

But we 're never gonna survive unless
We get a little crazy
No we 're never gonna survive unless

We are a little

But we 're never gonna survive unless
We get a little crazy
No we 're never gonna survive unless
We are a little

Crazy
