Desire, the fire is all in you
The passion and action
You take me through
I'm living it, I'm loving it
This is where
The dreams come alive
A shooting star in the night

To all the heroes
The rush of emotions
Hitting us high and low
Aeyah let's go
To all the heroes
We celebrate our nations
Letting the whole world know
Aeyah let's go
To all the heroes

Emotions are rushing
Out of control
A notion touching
My body and soul
Can't fight it, can't hide it
Everything I'm feeling inside
Reflects the gold in your eyes

Viva los heros
The rush of emotions
Hitting us high and low
Aeyah let's go
Viva los heros
We celebrate our nations
Letting the whole world know
Aeyah let's go
Viva los heros

Viva los heros
The rush of emotions
Hitting us high and low
Aeyah let's go
Viva los heros
We celebrate our nations

Letting the whole world know
Aeyah let's go

To all the heroes
The rush of emotions
Hitting us high and low
Aeyah let's go
To all the heroes
We celebrate our nations
Letting the whole world know
Aeyah let's go
To all the heroes
